Dear Friends of BCF,

We have a great deal to share with you this month. We had an amazingly successful **Yellowstone Valley Gives** day on May 4th. In addition, we are happy to announce our **2017 Grant winners** as well as an endowment award to Yellowstone River Parks Association. None of this would be possible without our wonderful donors and supporters.

Along with our Grant awards dinner, we will be hosting a **workshop** that is perfect for all non-profit boards as they have a fiduciary responsibility for their organizations. You can sign up for the workshop below. Seats are limited.

Please take the time to get to know us, by clicking on our Board of Directors button below.

Sincerely,
Billings Community Foundation

Yellowstone Valley Gives - A Big Success for Our Community

We are happy to report that during the 24 hours of Yellowstone Valley Gives, our 85 nonprofits raised \$78,374 from our generous Donors and Sponsors! That surpassed our fundraising goal of \$75,000 and we congratulate all who took advantage of this great way to raise money while spreading the news about the great work of our regional nonprofits.

You can see the final results for each nonprofit by clicking on the "Leaderboard" at: www.yellowstonegives.org or by clicking on the link on the [BCF homepage](#). **ACE Scholarships** Montana raised the most on May 4th and **DEAP - Development Educational Assistance Program** had the most donors. Congratulations to these organizations and all the rest who were able to use this opportunity to raise additional funds. If you go to the Yellowstone Valley Gives website, you will find that the total raised now reads over \$84,000 because donors can still use this site to make donations to their favorite nonprofit at the through the end of May.

As most of you know, this is not a "fundraiser" for BCF and our main purpose in hosting "Yellowstone Valley Gives" is to assist nonprofits in our region in sharing the story about the great work that they do. All fees collected, and even proceeds from the sale of T-shirts go into the "Sharing Pool" for distribution. Last year around \$34,000 was raised, despite "glitches" in the system, and we are pleased that over \$75,000 was raised this year. A special thanks goes out to GiveGab for providing a great platform for the event and of course our wonderful Donors! Your generosity provides the support that makes so many things possible!

Thanks to Our Yellowstone Valley Gives Sponsors

We are thankful for our generous Sponsors whose contributions provided excitement and incentives for giving. You can click on the button below to see all the Sponsors at the bottom page and, by clicking on the "Prizes" link on the same page, you can see the Prize Sponsors and winners. BCF will distribute these prizes in the next couple of weeks. Once we have verified the receipt of all Sponsor funds and the payment of all expenses, the prizes will be awarded as indicated and remaining funds will be awarded through the "Sharing Pool". Those funds are distributed based on each organization's share of the total donations.

Help Us Grow Our Endowment

As we visit with prospective client partners at Billings Community Foundation, we often stress the importance of planning for the future. For an organization to thrive and grow, the notion of long-term financial security is critical.

And so it is with Billings Community Foundation. As we continue to serve our community's philanthropic needs, the **BCF Endowment** must continue to grow. We are very proud of the services we provide to client partners, the funds we grant to such worthy organizations, and the expertise and assistance we lend to a number of organizations throughout the Greater Yellowstone Valley. However, we want to do even more!

With your help, we can do more. A donation to the BCF Endowment makes our outreach and future growth possible. Please consider helping us grow our endowment so that we may continue to be a philanthropic center for our region. For more information about a gift to the BCF Endowment please contact us at billingscommunityfoundation@gmail.com or call 406.830.3334

Become a Billings Community Foundation Sponsor

Billings Community Foundation is seeking community-minded individuals and organizations to support our efforts to provide grants to nonprofits in our region. We are specifically seeking support at the \$1,000 level through advertising funds, an outright gift, or donation of in-kind services of that value. Your sponsorship turns into additional granting dollars for BCF!

Community Sponsors receive:

Recognition as a Community Sponsor in all BCF Newsletters for one year
Recognition as a Community Sponsor on the BCF website for one year
Complimentary tickets to the BCF Annual Awards Dinner
Recognition as a Community Sponsor at the BCF Annual Awards Dinner

This is a great opportunity for you or your business to be connected with BCF, a nonprofit, tax-exempt, innovative community fund. Your sponsorship would give BCF an increased ability to fund grants to more nonprofits, doing important work in our community.
